

## Renew your identification card

---

### Where do I start?

Go to [NJMMP.NJ.GOV](http://NJMMP.NJ.GOV)

Select **Renew your identification card**

Type in the **full** patient identification number located on your MMP card.

Example: 10000-10000P

**OR**

Type in your last name, first name, gender, date of birth, and reference number; **AND**

Enter the security message exactly as it appears and press **LOGIN**.

Select **ID Card Renewal**

**Note: If you cannot read the message, click the REFRESH button until you are given a code easier to read.**

Once logged in click:

ID Card Renewal **AND** Patient Renewal, **AND**

Click the **Patient** button.

Either save your current address **OR** press **New Address** if you have moved since your last registration.

Continue to the **Caregiver** button.

Decide whether you want to,

**Add a caregiver**

**Keep current caregiver**

**Chose not to have a caregiver**

Once you have saved your selection, you may now continue to upload all your scanned documents.

Click the **Documents** button and add all documents that are applicable and required for your renewal, you must have **all** documents individually named, scanned and ready for upload.

Press **SAVE**

**You will be contacted via email for the following:**

If one or more of your documents are unacceptable, **OR**  
All documents are acceptable and a payment has been set.

If one or more of your documents are unacceptable, you must return to the same section to re-upload appropriate documents. You must rename any document that needs to be re-uploaded.

**Payment**

Due to the high volume of renewals, you will receive an email regarding renewal payment once all documents are cleared and verified. Please follow the instructions in the email you will receive.

Once your payments have been submitted, your card will arrive at your residence within **7-10 business days** via US postal service.
